

PHIDELIS

FULL-STACK WEB DEVELOPER | AI AUTOMATISATION
SOLUTION | SHOPIFY SPECIALIST

PROFILE

Passionate full-stack web developer and Shopify specialist with over 4 years of experience in designing, developing, and optimizing end-to-end web applications. Strong expertise in front-end and back-end development, as well as AI agent integration and business workflow automation. Proven ability to manage complex projects, optimize performance, and deliver robust, scalable solutions.

PROFESSIONAL EXPERIENCE

Full-Stack web developer

REGARD BEAUTY, Remote | 12/2024 - Present

- Development and maintenance of websites and web applications.
- Design and implementation of responsive, user-friendly interfaces (React, Next.js, Node.js, Python).
- Business workflow automation using AI multi-agent architectures (FastAPI, LangGraph), as well as n8n and Zapier.
- Migration of e-commerce platforms to Shopify.
- Advanced Shopify configuration (payments, shipping, apps, settings).
- Performance optimization (Lighthouse, SEO, Core Web Vitals – LCP).
- UI/UX optimization of Shopify stores and front-end debugging.
- Development of custom back-office systems and full integration with the Shopify front-end.

Lead Web Developer

FERBER ENTREPRISES, Toliara | 09/2022 - 12/2024

- Technical leadership and supervision of the development team.
- Design and architecture of high-performance, scalable web applications.
- Code reviews, quality assurance, and enforcement of best practices.
- Development and deployment of applications using Nuxt, Next.js, Node.js, and Python.
- Implementation of CI/CD pipelines and deployment on dedicated servers.
- Shopify Technical Lead: architecture, customization, and optimization of online stores.
- Creation, configuration, and launch of Shopify stores.

Full-Stack web developer

GROUDENT, Remote | 08/2024 - 12/2024

- Backend development with Node.js (Sequelize) and frontend integration using Vue.js / Nuxt.js.
- Implementation of secure APIs and authentication systems.
